HOT SPOTS
 By BEN and PAUL SMITH

No real "Hot Spot" this week. Same old excuse, "The Weather." Speaking of the weather, some of our local anglers did venture out Sunday and fished San Vincente, Ed and Barbara Glines had a real wet trip and no fish. Chic Hill and Von Bergen got so cold they came in early with no fish. But we did hear of two hearty die hards who stayed out in the storm to get 8 nice bass—Ernie Maloy and Harry Seeman. In fact Harry got a beauty—a 4-pound-4-ounce. They came in soaked and have been talking through their noses since, but here's Harry's story.

"We had a Plutoeratic Trip. Left Saturday nite around ten. I was even allowed to smoke a cigar on the way down. We got a motel in Ramona, had a soft bed and lots of sleep. Went out at seven the next morning and started fishing. It started raining at the same time, but we kept getting strikes, so we wouldn't give up. We had forgotten a net so I tried bouncing my first fish into the boat. It didn't work. I broke my brand new rod and had to borrow one from Ernie. It was the kind that had rings on the butt end. My reel was always slipping out. I got the big strike and dag nab it, I ended up with my rod in one hand and the reel in the other. But I finally landed him, after many harsh words to the fish, Ernie and the rod and reel."

He thinks this such a feat he'd now like his amateur standing changed to a Professional fisherman (Some people). Fifteen Mobil Sportsman fished the breakwater Feb. 28th, in a perch derby. Chuck Belcher won with a 4-pound, 4-ounce Opaleye. First one he had ever caught. Beginner's luck.

All boat owners don't forget to register your boats and get your numbers from the D.M.V. by April 1, 1960. The fee is \$5.00 for a 3-year period. All you need is a signed statement of ownership. Don't delay.

With not much news this week, we still have the happy thought of the best months ahead of us. For instance, April usually brings good bass, crappie, catfish and striped bass fishing. Our early trout season starts in May and we begin to dream of lakes, streams and such. Lake Isabella is in high gear and few of us venture there. June, schools out and we help our boys with Little league activities. The ocean fishing is rapidly picking up. The breakwater fishing is in high gear and we begin to hear all kinds of freshwater rumors. July, most of us head for the mountains and try our luck at trout fishing. The White Sea Bass shows up and lots of good nite fishing begins. In August our local marlin move in. The yellowtail, barracuda and Blue Fin keep our hearts pounding heavily. We go to the trap ranges and start practicing up on our shot gun shooting. September the fabulous Dove shoot starts, anywhere in the desert regions. Our inland deer shoot starts and we see many a red or yellow cap heading toward the high country. October is the month closest to the hunters' heart. Utah deer season begins. In fact all big game. And the Duck season opens. Good salmon and steelhead fishing along the Sacramento River. November the pheasant season opens in most western states.

Of course in between all this a game of "pasture pool" is nice diversion for the fellows.

ROADS LEAD TO MINNEAPOLIS . . . AS FAR AS THE 1960 Mobilgas Economy Run is concerned. Chief Steward Art Pillsbury shows Doris Hancock, Miss Minneapolis, Possible routes the cars may take from Los Angeles, April 2-6, to her hometown.

During the last Hollywood Park meeting 174 claims were made for a total of \$1,022,500, and average of \$5,876 per claim.

A thousand words wouldn't begin to describe all of the savings that are possible with the Ford Economy Twins. The picture above of the Fairlane 500 tells its own story of beauty. It should be pointed out that Ford's traditionally low price for this Economy Twin is even lower than for last year's model. The compact Twin is the lively Ford Falcon, America's lowest-priced, six-passenger car, now out-selling all other compacts in the Southwest. Words and pictures are fine, Charlie Brown. But a look and a test-drive at your nearby Ford dealer's will convince you and your pen-pals that you're ahead in a Ford all the way!
